2025 COMMUNITY IMPACT REPORT

A MESSAGE FROM OUR PRESIDENT

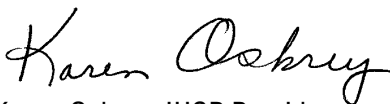

Supporting Our Friends & Neighbors

Sometimes it only takes one unexpected expense or medical diagnosis to turn a stable month into a difficult one. IHSP doesn't just help by providing assistance; IHSP helps people move forward.

In 2025, our volunteers, donors and community partners came together to meet immediate needs while creating pathways toward greater stability; making a significant impact on the lives of our friends and neighbors.

You, too, can have an impact on others. Please consider sharing your time, talent or treasure. Big or small, all acts have an impact.

Thank you for being part of the IHSP community.

Karen Osbrey, IHSP President

Our impact is made possible by people in our community because they contribute their:
